BOSS: Welcome to
our DigitalWorld!

SECURITY:Keep Moving!
You are under surveillance.
Any wrong action can put
your life in danger.

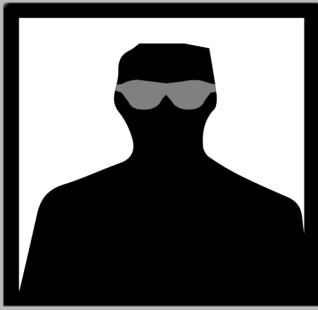

BOSS: There is no need
to rush. You are at
the right place.

BOSS:There is no
need for you to
think. The pressure
is removed.

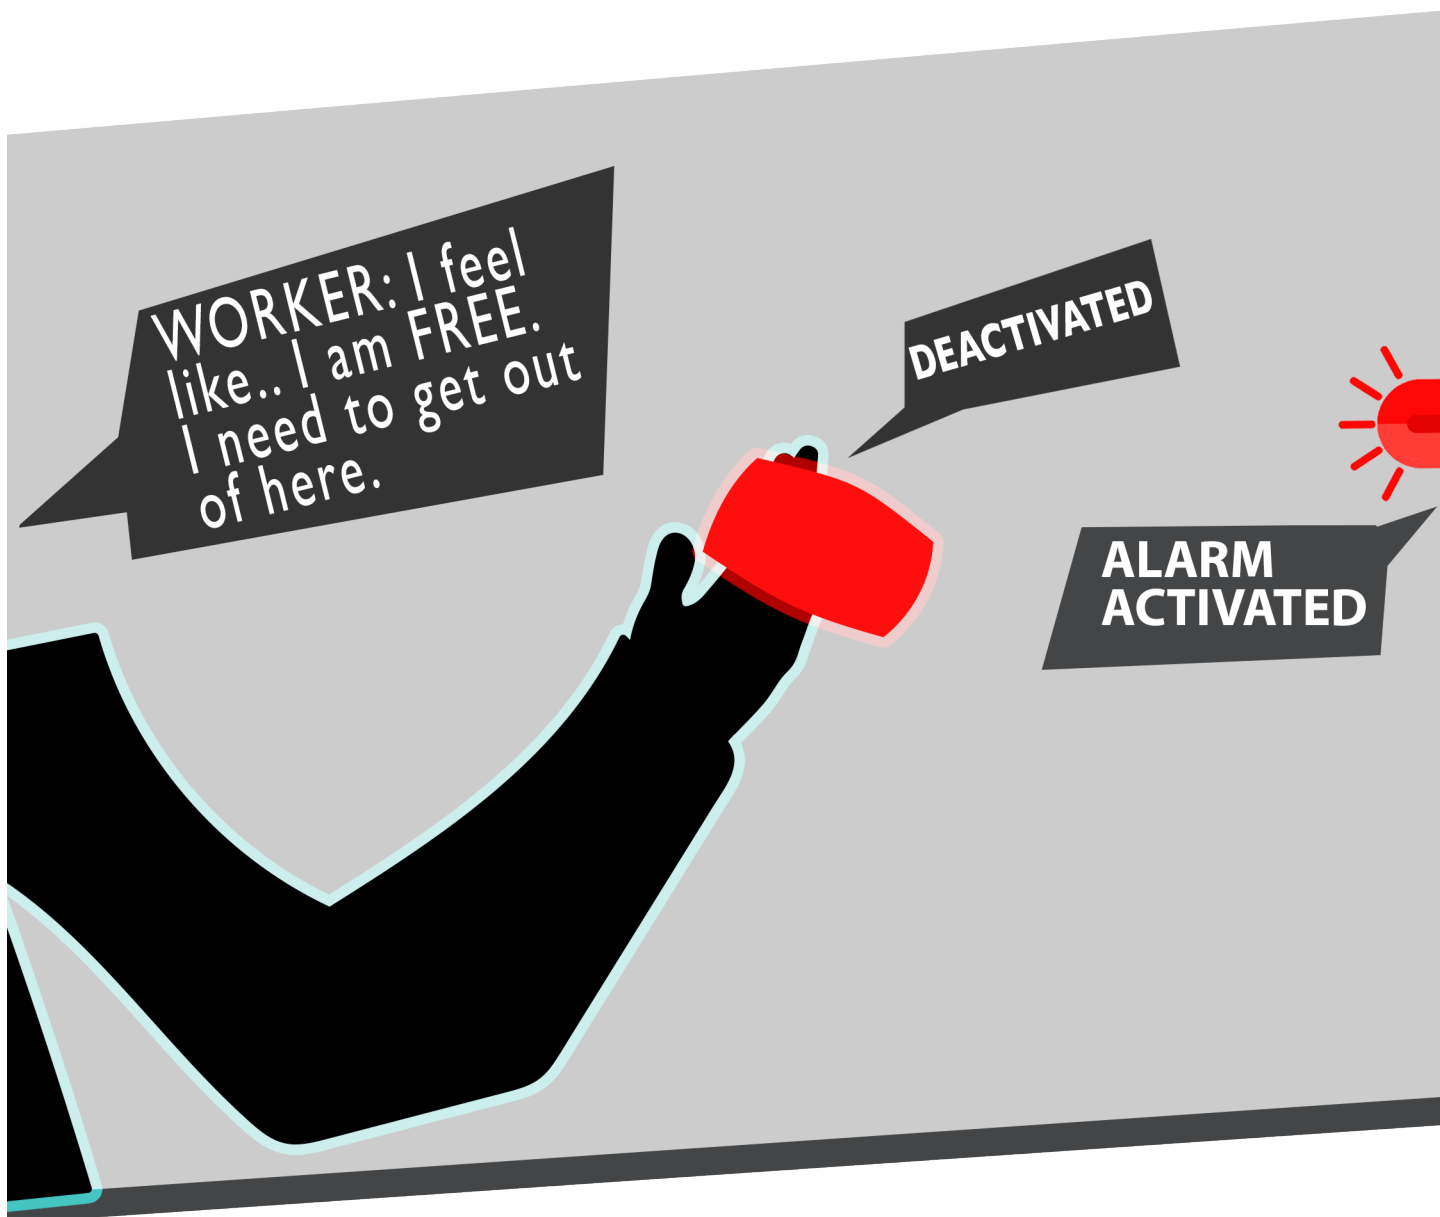

BOSS: The outside world is not good for you. Your home is here. We provide you comfort, harmony. But, you need to obey the order to unlock those achievements.

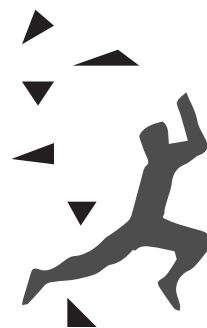

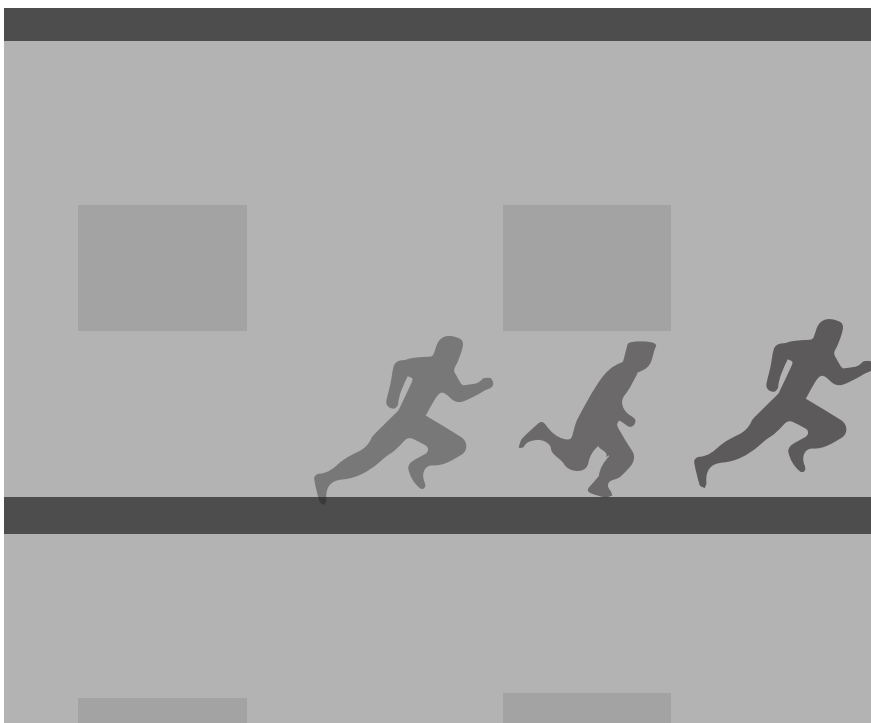

Security:???

WORKER: My brain... its painig...uhhhhh.Something wrong with the device.

FREEDOM!
